Vision Beyond The Horizon

One of the best ICO's in Africa

The Multi Utility Crypto Currency Platform

KeniCoin is a crypto-currency that is backed up by real businesses. Many innovative platforms are being developed which will have KeniCoin as the sole and exclusive medium of exchange and transactions.

Kenicoin ICO is over.

We are thankful to all of our investors for making our ICO such a great success !!

Step Five

The screenshot displays the KeniCoin dashboard for a user named 'johnben'. At the top, it shows the exchange rates: 1 BTC = \$6605.10, 1 KNC = \$4.00, and 1 KNC = BTC 0.00060559. The dashboard is divided into several sections:

- Dashboard Header:** Includes a menu icon, exchange rates, and the user's profile.
- Refer your friends:** A section with a text input field containing the URL `http://kenicoin.com/User/SignUp?referrer=JOHN117` and a 'Copy' button.
- Asset Balances:** Two cards showing balances: BTC | USD 0.00 (0.00000000) and KNC | USD 10.00 (Available: 2.50000000).
- Deposit BTC:** A section with a 'Deposit Bitcoin (BTC)' button and instructions to 'Receive Bitcoin (BTC) Get address to accept Bitcoin payments'.
- Deposit KeniCoin:** A section with a 'Deposit KeniCoin (KNC)' button and instructions to 'Receive KeniCoin (KNC) Get address to accept KeniCoin payments'.
- Withdraw BTC:** A section with a 'Withdraw BTC' button and a 'To Address' input field.
- Withdraw KeniCoin:** A section with a 'Withdraw KeniCoin' button and a 'To Address' input field.

A blue callout box with a yellow border and a yellow arrow pointing to the 'Withdraw KeniCoin' section contains the text: "Once you Login Scroll Down to this section".
